PROJECTS

Social Media Webpage

sakshigupta0809/Social-Media-Handler-webpage

- Developed a web page in which all social media links into a single webpage, simplifying cross-platform transmission and enhancing user experience.
- Which is easier to transmit from one social media to another.
- Developed by HTML and CSS

Amazon Clone

sakshigupta0809/Amazon-clone

- A web-based mockup inspired by amazon's design, built primarily for education purpose.
- This project showcases HTML and CSS skills.
- It serves as a reference for those learning web development skills. Not for commercial use.

Text-to-Speech Converter

- Text-to-speech (TTS) is a type of assistive technology that reads digital text aloud.
- A text-to-speech (TTS) converter is a web page that transforms written text into spoken words.
- I have used the Web Speech API.
- This project is developed by the HTML, CSS, JavaScript.
